

One of the very best places in the world to grow premium Pinot Noir and Chardonnay wine grapes is in Northwestern Oregon's Willamette Valley. Over the past five decades, this region has earned an international reputation for the exceptional quality of its grapes and it now produces some of the most admired and coveted Pinot Noir and Chardonnay wines in the world. Erratic Oaks Vineyard was first planted in 2007 and has been producing grapes for us since 2009. Erratic Oaks Vineyard is located 45 miles east from the Oregon Coast and the Pacific Ocean. Between the coast and Erratic Oaks, the Coastal Range of mountains abruptly rise 3,000 feet to shield the Willamette Valley and moderate the cooling influence of the coast's maritime climate, allowing for ample summertime warmth in the critical growing and fruit maturation seasons.

## Citation Willamette Valley Pinot Noir 2015

### Produktbeskrivelse

Citation Willamette Valley Pinot Noir is created by sourcing fruit from the most promising blocks of our Erratic Oaks Vineyard. Carefully selected lots are fermented separately, punched-down twice daily, and after seven to twelve days of fermentation, gently pressed to French oak barrels and aged for the next sixteen months. The best barrels are then chosen to produce this small quantity of deep, darkly-colored, luscious Pinot Noir.

Our Citation Willamette Valley Pinot Noir has aromas of dark cherries, raspberries, blueberries, violets and cloves that join rich flavors of cocoa butter, vanilla and allspice. Fine, silky tannins frame the long lingering finish.

### Bruksområde

### FAKTA

Vinmonopol nr	10276601
EPD nr	5345715
Utvalg	Bestillingsutvalget
Volum	75
Pris Vinmonopolet	380
Pris Grossist eks. mva	311.96
Druetype	Pinot Noir
Sukkerinnhold	2 g/l
Syreinnhold	5,4 g/l

Lagringspotensiale	Drikkeklar, men kan også lagres.
Serveringstemperatur	14° - 16° C
Land	USA
Distrikt	Oregon, Willamette Valley
